DeMolay means many things to its many members.

Throughout your time in **DeMolay**, you will learn about democracy, how to conduct a meeting, how to become comfortable as a speaker. You'll also learn many other things that are unique to you, because being in **DeMolay** prepares you to recognize those opportunities to learn that come along unexpectedly.

This focus on self-learning allows **DeMolay** to affect each member in a different way, nurturing their unique talents, interests and abilities to emerge in their own special way.

You learn from your experiences, you learn from your mentors and you learn from each other. And, most importantly, you learn from yourself.

Have fun with your friends

Do the things you love with your friends! DeMolay Chapters follow their members' interests and help you have more fun with your friends than you could alone. Get involved and start making memories that will last with your new friends. You control the content of your DeMolay Experience.

Help shape your community

DeMolay Chapters strive to become vital parts of their community. They often volunteer and raise money for worthy causes. In recent years, Chapters have raised money for medical research, volunteered to help at local food banks, and many other activities. DeMolays make a tremendously positive impact on their communities. By joining DeMolay, you become a part of that legacy of service.

Grow as a leader

As part of your DeMolay Experience, you get the chance to explore your leadership potential in a low-pressure environment, where your friends and Advisors are helping you to succeed.

As you grow in DeMolay, you'll have the opportunity to enroll in our new scholarship program offering a \$500 scholarship to help those enrolling into driver's education. To be eligible, you must join the New Hampshire DeMolay and meet attendance requirements. Once your enrollment is verified, DeMolay will pay the driving school \$500 directly so you can hit the road with confidence!
